
Chevron Graduate Fellowship Program

Application Instructions

Preparing Your Application:

- Chevron Fellowship applicants must submit a 2010 C2B2 Fellowship online application.
- The C2B2 Fellowship online applications must be completed in one session. You will not have the ability to save your application and return at a later date.
- Prior to initiating your electronic application:
 - Review the “Application Requirement Checklist” (below).
 - Read the entire C2B2 Fellowship application.
 - Prepare all application materials prior to initiating your online application.
- Prior to submission: Verify the accuracy of your application content on the “Review” page. Modify any incorrect information prior to submission.
- Submit only one online application: If you have trouble submitting your application or attaching documents, contact C2B2 for help: **PH (303) 735-2503**.

C2B2 Fellowship Application Requirement Checklist:

- Online Application Form
 - Applicant Curriculum Vitae
 - C2B2 Sponsoring Principal Investigator Curriculum Vitae
 - Personal Statement [Two- pages]:
 - Describe your biorefining and biofuels research experience and goals, as well as career objectives.
 - Personal Statements must be uploaded using the “Research Proposal/Personal Statement” field of the Fellowship Application.
- Letter of Recommendation: From Applicant’s Graduate Advisor (i.e. Sponsoring PI)

**Please note: Letter of Recommendation can be submitted via e-mail or U.S. Mail. Electronic submissions must be received directly from the e-mail of the recommender.

U.S. Mail submissions must be received in a sealed envelope from the recommender.

To Submit Your Letter of Recommendation:

Electronic Submissions: C2B2@colorado.edu

U.S. Mail Submissions: C2B2-Chevron Graduate Fellowship Program
523 UCB, 1B11 DLC
1111 Engineering Drive, Boulder, CO 80309

**All application materials must be submitted and e-mailed or postmarked by
Thursday, July 1, 2010 at 11:59 PM**
